--THANK YOU FOR YOUR ORDER--

* The items that require parcel delivery are Jerusalem Artichokes and Sweetpotato plants. You decide how many parcels you want us to send. Please remit \$13.50 for each parcel. Bear in mind a couple things in your calculations.

- 1) If J-Chokes are in your plans, be aware that, for spring planting, we can't dig them until the ground here thaws.
- 2) The XPressPost option (and the extra charge that goes with it--see page 8) is meant for Sweetpotatoes only. If you want something besides plants sent XPressPost, please send enough to reasonably cover the extra costs.
